BUSINESS MODEL CANVAS · ETEL GROUP · HAWASSA, ETHIOPIA

ETEL Delivery & Ride

DESIGNED FOR	MARKET	VERSION	STATUS
Etel Group	Hawassa	1.0	Launch plan

KEY PARTNERS

Who helps us deliver and get paid

PAYMENTS AND FINANCE

- Telebirr
- Commercial banks for transfers and settlement
- EtelPay wallet (Etel Group)

SUPPLY PARTNERS

- Restaurants and cafes
- Supermarkets, shops and pharmacies
- Independent couriers and ride drivers
- Equb and community associations

INSTITUTIONS

- Hawassa city transport and trade offices
- INSA for security compliance
- Mobile network and SMS providers

TECHNOLOGY

- Web hosting and domain provider
- Push notification and Telegram services
- Investors and shareholders

KEY ACTIVITIES

What we must do every day

- Order dispatch and ride matching
- Payment settlement, escrow and driver payouts
- Recruiting and verifying merchants, couriers and drivers
- Customer support and dispute handling
- Platform maintenance, migrations and security audits
- Promotions, campaigns and merchant training

KEY RESOURCES

What we already own

- Working platform: customer, courier, driver, merchant and admin apps
- EtelID sign-on and EtelPay wallet
- Etel Group brand and Hawassa relationships
- Development team and admin tools
- Telebirr and bank integrations

VALUE PROPOSITIONS

One app. One login. One wallet.

CUSTOMERS

- Food, groceries and goods delivered, plus rides, in a single app
- Live order and ride tracking
- Pay with Telebirr, bank transfer or EtelPay
- English and Amharic

MERCHANTS

- New customers and a ready courier fleet
- Inventory dashboard and instant order alerts
- Simple pricing: 5% commission per order, no setup fee
- Fast payouts to the wallet

DRIVERS AND COURIERS

- Steady work with a dedicated driver app
- Transparent fares and earnings
- Paid to the wallet without cash handling

EVERYONE

- Installs like an app, works offline on low-cost Android
- EtelID single sign-on across all Etel services

CUSTOMER RELATIONSHIPS

How we keep people coming back

- Self-service ordering and ride requests
- In-app chat and live tracking
- Ratings for merchants, couriers and drivers
- Wallet balance, promo codes and loyalty rewards
- Hands-on onboarding for every merchant and driver

CHANNELS

How customers find and use us

- Installable web app at ethelmarket.com
- Telegram and push notifications
- Social media and local campaigns
- Field agents at merchants and taxi stands
- Cross-promotion inside Gebeya, Taxi and EtelPay

CUSTOMER SEGMENTS

Who we serve

DEMAND

- Households ordering food and groceries
- Students and young professionals
- Office workers and businesses
- Riders needing everyday transport
- Visitors and hotel guests

SUPPLY

- Restaurants, shops and pharmacies
- Couriers and ride drivers

BACKERS

- Investors and Etel Group shareholders

COST STRUCTURE

What it takes to run the business

- Driver and courier incentives at launch
- Hosting, domain, SMS and push services
- Marketing and customer acquisition
- Security audits and compliance
- Payment gateway and bank transfer fees
- Staff: support, field agents, developers
- Promo codes, refunds and dispute losses
- Insurance and licences

REVENUE STREAMS

5% commission on every merchant order

- Delivery fees, priced by Hawassa zone
- EtelPay wallet and payout fees
- Corporate accounts and business delivery
- Platform share of ride fares, metered or fixed
- Featured listings and advertising for merchants
- Partner and sponsor campaigns

Next steps: confirm ride fare share and wallet fees, sign the first 20 merchants, onboard the first drivers, launch in one district.
